- Pro Shop sales
- Rental equipment

### Professional Tennis Lessons

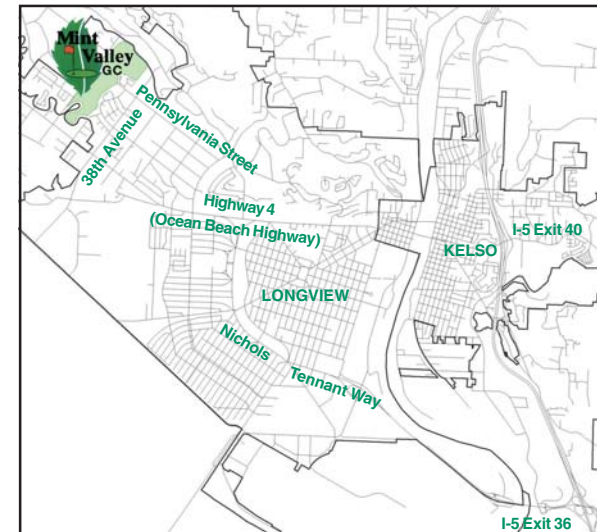

At Mint Valley, we like to think that we are looking after each member's game. One of the main ways we do this is through instruction. Our certified tennis staff have years of instructor experience collectively under their belts. So whether you are just taking up the great game of tennis as a beginner, coming back to it after a long absence or are an avid, competitive player, we have the programs to look after your game. Our philosophy is to instill a love of the game by creating a fun and exciting, yet challenging learning environment. We offer private, semi-private, group lessons, and clinics for all levels. Lessons can be scheduled by calling 360.636.4770.

# Welcome to the Mint Valley Golf Course & Racquet Complex

Sculpted into the Pacific Northwest splendor, Mint Valley Golf Course has taken its place as one of America's finest municipally-owned golf courses. The white-sand bunkers protecting the greens, water hazards, and tree lined fairways will challenge every skill level. At 6,432 yards from the back tees, the course provides a stern

test for even the finest golfers. The mid-tees are at 5,895 and 5,230 yards. At 4,408 yards, the forward tees certainly shorten the course but not the enjoyment. The greens are always fast, roll true and are in excellent condition. All guests will enjoy lasting memories of a championship Pacific Northwest golf experience at Mint Valley.

## Practice Facilities

### Par-3 Short Course

Unique to Southwest Washington, Mint Valley provides a 6-hole short course with distances ranging from 50 to 90 yards, offering an excellent opportunity for tuning your short game. The greens are tricky on this short course and will test even the most skilled player. At prices between \$3 and \$9 for all-day, unlimited play, this course also provides an excellent opportunity for juniors and beginning golfers to develop their games before venturing onto the 18-hole course.

### Putting Green

Your first putt on this green will demonstrate the attention the maintenance crew gives to providing excellent putting surfaces. There is plenty of room on this large green to allow golfers all the time they need to prepare for a day of golf.

### Driving Range

Irrigated, grass tees provide the true feeling of hitting off the fairways. During inclement weather and the winter months, golfers are protected under the covered range building.

### Chipping Green

This green allows for the opportunity to work on your short, approach game. It is designed for bump and run shots, loft approaches and flop shots.

## Tournaments & Outings

The "Mint" is the premiere location for tournaments and outings of all sizes. The conditioning and playability of the course as well as the clubhouse accommodations enable group outings with players of mixed abilities to enjoy the day, whether in competition, playing to raise funds for charitable organizations, or social outings. With the par 3 course also available to your group, you have the opportunity to create before and after events or extend your outing to those who may not be ready for the 18-hole competition, but still would like to participate. Our goal at Mint Valley is for you to have a fun, relaxing and memorable event. Our staff is experienced in accommodating groups of all sizes.
