IX. Golf Course Etiquette and Care of the Course

It is expected that season pass holders will follow proper golf etiquette and have pride in caring for the golf course. Here are a few points of highlight:

- **Pace of Play** - Season pass holders are expected to adhere to the proper pace of play policy at the golf club. Generally, players are not to exceed the maximum of 15 minutes per hole on the main course; 12 minutes per hole on the Par 3.
- **Repair of Divots & Ball-Marks** - Players should carefully repair any divot holes made by them and any damage to the putting green made by the impact of a ball.
- **Bunkers** - Before leaving a bunker, players should carefully fill up and smooth over all holes and footprints made by them and any nearby made by others. If a rake is within reasonable proximity of the bunker, the rake should be used for this purpose.
- **Property Damage Responsibility** - Prevent any unnecessary damage to the golf courses, carts, equipment and clubhouse.
- **Pro Shop Staff and Marshalls** – Season pass holders are held to a high standard and are expected to adhere to rules, updates, and direction provided by Pro Shop Staff and Marshalls. Failing to do so may result in revocation of pass and golf privileges and loss of fees for remainder of the golf season.
- **Course Maintenance** - Maintenance equipment and workers have the right-of-way. If you encounter staff cutting a green and changing the flagstick location – be patient. Do not hit onto the green if the flagstick is out. For greens, fairways, sand traps, and irrigation repairs – the equipment operator will stop the machine and wait for your shot. If there seems to be confusion, the worker will wave for play to continue or move away from the area.
